

Warranty

Superior Coach Corporation warrants each new coach body supplied by Superior Coach Corporation or part manufactured by it to be free from defects in material and workmanship under normal use and service, its obligation under this warranty being limited to making good at the factory any part or parts thereof which shall within 12 months or 12,000 miles, whichever is reached sooner, after delivery of such vehicle to the original purchaser, be returned to the Company or its authorized distributor with transportation charges prepaid and which its examination shall disclose to its satisfaction to have been defective. Except as heretofore stated, Funeral Coach, Ambulance, Service or Flower Car bodies manufactured by Superior Coach Corporation and sold to any purchaser carry no expressed or implied warranties.

This warranty is expressly in lieu of all other warranties expressed or implied, by law or otherwise and all other obligations or liabilities on the part of the Company, and it neither assumes nor authorizes any other person to assume for it any other liability in connection with the sale of its vehicles.

This warranty shall not apply to any coach body which shall have been repaired or altered outside the factory of Superior Coach Corporation in any way so as, in the judgment of Company, to affect its stability and reliability, or which has been subjected to misuse, negligence or accident.

We make no warranty whatever in respect to cots, heaters, or other trade accessories, separately warranted by manufacturer or chassis parts and accessories that are covered by chassis manufacturer's warranty.
