

Fiberglass Warranty

Superior Coach Corporation warrants each reinforced fiberglass part furnished on each new coach body supplied by Superior Coach Corporation to be free from defects in material and workmanship under normal use and service, its obligation under this warranty being limited to making good at the factory any part or parts thereof which shall within 5 years after delivery of such vehicle to the original purchaser, be returned to the Company or its authorized distributor with transportation charges prepaid and which its examination shall disclose to its satisfaction to have been defective. In case the unit has been in an accident, this Warranty is void.

This Warranty is expressly in lieu of all other warranties expressed or implied, by law or otherwise and all other obligations or liabilities on the part of the Company, and it neither assumes nor authorizes any other person to assume for it any other liability in connection with the sale of its vehicles.

This Warranty shall not apply to any coach body which shall have been repaired or altered outside the factory of Superior Coach Corporation in any way so as, in the judgment of the Company, to affect its stability and reliability, or which has been subjected to misuse, negligence or accident.
